The contemporary Flicks collection presents a refined take on traditional home theatre seating. This collection offers endless ways to personalize your comfort. Unique features include built-in power recline and headrest activation, a multi-color LED cupholder and ambient ground lighting with seven different colours and three light intensities and a switch with two memory buttons and a USB port, making the Flicks a delightful choice for home theater seating. Clean, sleek lines defined by topstitching enhance the modern styling of this collection. Full chaise seating, with a foam seat and back provide superior comfort and support, perfect for lasting comfort whether sitting or reclining. A seamless power recline and a headrest function that tilts forward to the TV viewing position allows you to customize your comfort. A multitude of straight, curved or combination configurations will suit any space and you can set up as many rows as needed to distinguish the lounging ambience for any occasion. The Flicks comes standard with ambient ground lighting for convenience in a darkened room and a luminous cool-factor sure to impress. As if these features were not enough, the Flicks is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.
