

41417 PARAGON

Put luxurious comfort at the heart of your home theatre, and treat yourself like a VIP. Living up to its name, the Paragon delivers stylish excellence to your entertainment experience. Unique features like a multi-color LED cupholder with seven different colours, three light intensities, built-in power recline and headrest activation and a home button with two memory presets make the Paragon a fun choice for home theater seating. The generous high-back cushions are made of blown fibre, shaped in channels for extra stability and support. Meanwhile, high-resiliency foam seating provides comfort and support whether sitting or reclining that lasts for years to come. The seamless power recline and headrest functions allow you to customize comfort. A multitude of straight, curved or combination configurations will suit any space and you can set up as many rows as needed to distinguish the lounging ambience for any occasion. The Paragon comes standard with ambient ground lighting for convenience in a darkened room and a luminous cool-factor sure to impress. As if these features were not enough, the Paragon is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.
